Article Numbers: 661837, 661836, 661835, 661833

Safety Instructions:

- The product is not suitable for children due to small parts and the associated choking hazard. Not suitable for children under 3 years of age.
- Make sure you only write on the whiteboard surface with suitable markers and do not use any sharp or pointed objects to avoid scratches and damage.
- Assembly instructions: Ensure that the board is securely fastened to prevent it from tipping over or falling.
- Disposal instructions: The product can be fully recycled at the end of its service life. Observe the local regulations for the disposal of metals and plastics.
- Do not use near moisture or water to ensure the integrity of the materials. Protect from direct sunlight and moisture.
- If used incorrectly, there is a risk of injury from transporting and handling the whiteboard, as the product is heavy and mobile. It should be transported with care.
- Risk of electric shock if the product is handled incorrectly.
- The product should not be used outdoors to avoid damage and wear.
- Do not use the product if it is damaged.
