Safety Instructions:

- Not suitable for use by children under 3 years of age due to choking hazard from small parts.
- Supervised storage recommended during use to prevent tipping when stacking. Use safely on solid surfaces to prevent tipping.
- Do not place the box near heat sources or protect it from direct sunlight, as this may cause the plastic to deform.
- The box should not be used for liquids or hazardous chemicals to prevent leakage and associated hazards.
- Watch out for sharp edges during use to avoid injury. There is a risk of injury if used incorrectly.
- Keep out of reach of children to avoid the risk of choking on small parts. Keep packaging materials away from small children to avoid the risk of suffocation.
- Use only in accordance with the instructions and intended use.
- When disposing of the product, act in an environmentally friendly manner and observe recycling regulations.
