## Safety Instructions:

- The drawer box is not suitable for storing food.
- The drawer box should be protected from direct sunlight, extreme temperatures and moisture to prevent damage or material integrity.
- Do not stack excessive weights on the box or overload drawers to avoid the risk of tipping over.
- The box should be kept out of the reach of small children to avoid the risk of choking on small parts. Not suitable for children under 3 years of age.
- The box is made of recycled plastic. Please observe the local regulations for disposal and recycling.
- Parts may break off if used improperly; use the product as intended.
- Drawers may only be opened with one handle to avoid injury.
