Safety Instructions:

- Choking hazard due to breakable glass or small parts.
- Risk of electric shock due to improper handling or use of the LED lighting.
- Risk of injury due to unsecured or overloaded shelves. Maximum load capacity: do not exceed 8 kg in each case.
- Observe the safety precautions and assembly instructions to avoid injury.
- Pay attention to sharp edges on the glass; toughened safety glass can cause cuts.
- The wall display case must be mounted stably to prevent it from toppling over.
- Installation and operation should only be carried out by qualified personnel.
- Avoid contact with the LED lighting as there is a risk of burns and do not install the product near water sources.
