Safety Instructions:

- Only use original ink cartridges or compatible products that are suitable for the printer.
- The appliance must be connected to an earthed socket to minimise the risk of electric shock.
- Keep the appliance away from water and other liquids to avoid short circuits.
- Avoid contact with moving parts during operation.
- Ink cartridges should be disposed of in accordance with local regulations.
- Ensure that the printer does not overheat by placing it in a well-ventilated area.
- The appliance is intended for use in dry indoor areas and must not be operated in damp environments.
