Safety Instructions:

- Observe the safety instructions to avoid injuries due to improper use.
- Specific requirements must be observed for mounting on a perforated wall; the perforated wall is not included in the scope of delivery.
- When using hooks, ensure that they are correctly and securely fastened to prevent the tools from falling.
- Take care not to exceed the maximum load capacity of the brackets to avoid damage and accidents.
- Check the rubber covers of the hooks regularly for wear to ensure a secure hold.
