Safety Instructions:

- Not suitable for children under 3 years; small parts can be swallowed.
- Sharp edges or corners; avoid direct contact with sensitive parts of the body.
- If used improperly, the case could fall over or cause injury.
- Only use the case in accordance with the instructions provided and observe the load capacity.
- Keep the case dry; contact with water could affect the material integrity. Do not immerse in water or expose to extreme temperatures.
- Safe transport only when the case is closed. Make sure that the case is properly closed to prevent the contents from falling out.
- Do not overload suitcases with heavy objects.
