Please note the technical data of the products!

**Article Numbers:** 402606, 402605, 402604, 402600, 402599, 402598

### Safety Instructions:

- The table top is not suitable for use in damp or wet environments.
- Avoid contact with aggressive cleaning agents or chemicals so as not to damage the surface coating.
- Do not exert excessive pressure or place heavy objects on the tabletop to avoid deformation or breakage.
- The tabletop should not be positioned near heat sources to avoid heat damage.
- Ensure that the table top is securely mounted on a stable surface to prevent it from tipping over.
- The product is not suitable for children under 3 years of age and should be handled with care due to small parts and sharp edges.
- Avoid contact with directly hot water or hot objects to prevent surface damage.
- Protect the table top from direct sunlight to prevent discolouration and material changes.
