Safety Instructions:

- Caution! Glass can break and cause injuries. Hold toughened safety glass, keep children away.
- Ensure that the wall cabinet is securely mounted on the wall to prevent it from tipping over. Fixings must be secure and stable.
- Do not exceed the maximum load of the shelves (8 kg per shelf) to avoid stability and risk of breakage.
- Ensure that the display case is installed correctly using the mounting material supplied to prevent it from tipping over.
- Follow the assembly instructions exactly during assembly to ensure safety. Fully assemble all parts to start use.
- Open the two-door doors carefully to avoid breakage and minimise the risk of crushing.
- The cabinet is not designed for children; ensure that it is placed out of their reach to avoid injury.
- Take care when handling the hinged doors to avoid crushing hazards.
