

# Product Safety Information

## **ANSMANN FL50W LED worklight, shockproof, 360° lamp head and carrying handle, black**

**Manufacturer/Responsible Person:** Ansmann AG, Industriestraße 10, 97959 Assamstadt, Deutschland  
**E-Mail:** info@ansmann.de

Please note the technical data of the products!

**Article Numbers:** 661926, 661922

### **Safety Instructions:**

- Use only in well ventilated areas.
- Do not use in the vicinity of flammable materials.
- Observe protection against rain and moisture (different types of protection: IP54 - splash-proof, IP65 - splash-proof, but not suitable for underwater operation).
- Only charge the batteries using the USB-C cable supplied. Avoid overcharging and deep discharging the battery.
- Small parts and protective elements can pose a choking hazard.
- Do not immerse near water sources or in water to avoid the risk of electric shock.
- Avoid risk of electric shock due to improper use and damage to the cable.
- Ensure that the power source can withstand the weather when used outdoors.
- Do not store or use the product at extreme temperatures or in direct sunlight.
- Before use, check the cable length and the distance to the power source to avoid tripping hazards.
