Article Numbers: 661968, 661951, 661948, 661943

Safety Instructions:

- Maximum load capacity: 80 kg. Do not overload to ensure stability.
- Avoid improper use of the height adjustment to prevent injury. Keep children away.
- When adjusting the desk, make sure it is at the correct height to avoid injuries and the risk of falling.
- Adjust the levelling glides correctly when using on uneven floors to ensure stability.
- Ensure that the desk is placed on a stable surface to prevent it from wobbling or tipping over.
- Keep the work area free of obstacles to avoid tripping hazards.
- Note the impact resistance of the ABS edges; handle with care to avoid damage.
- Check regularly for damage, especially after extensive use.
- Provide safety information on correct installation and use.
- Follow the care instructions to avoid material wear and to maintain stability.
