Article Numbers: 661906, 661905, 661904, 661901

Safety Instructions:

- Before wall mounting, ensure that the wall is sufficiently strong to bear the load of the mounting plate.
- Screws and anchors must be able to bear suitable loads; tighten screws firmly enough to prevent injuries from falling parts.
- Follow the assembly instructions exactly and wear suitable protective clothing (safety goggles and gloves) when using tools.
- The perforated plate must be mounted correctly on the wall to ensure stability and prevent it from falling.
- Avoid attaching heavy objects and overloading the panel to prevent structural damage.
- Only use the tool hooks provided and ensure that they are properly secured to prevent tools from falling; hole size 9 x 9 mm suitable for small parts and tool hooks.
- Avoid hanging heavy tools or machines at one point to prevent them from tipping over or breaking off.
- Perforated plate is not suitable for use by children; keep small children away.
- Avoid roughness during installation to prevent injuries.
