

Product Safety Information

Brennenstuhl Premium-Protect-Line 6-way socket strip, 3 m cable, 60,000A overvoltage protection, 2 USB ports, anodized aluminium, black/aluminium silver

Manufacturer/Responsible Person: H. Brennenstuhl GmbH & Co. KG, Seestraße 1-3, 72074 Tübingen, Deutschland

E-Mail: info@brennenstuhl.de

Please note the technical data of the products!

Article Number: 661659

Safety Instructions:

- Caution: High overvoltage protection values (up to 60,000 A) can be dangerous if used incorrectly.
- Risk of electric shock: Avoid contact with electrical components.
- Increased risk of contact: Keep the multiple socket outlet and networked devices away from water.
- Only use the multiple socket outlet indoors and ensure that it is not overloaded (max. rated current 16 A).
- To protect against overheating and the risk of fire, check the connections regularly for damage.
- The USB charging sockets may only be used for their intended purpose.
