Safety Instructions:

- Always check that the work trestle is stable before use.
- When using on uneven ground, make sure that the height-adjustable feet are set correctly.
- Do not overload the work trestle beyond the maximum load capacity of 120 kg.
- Make sure that the work trestle is completely unloaded before folding to avoid injuries.
- This work trestle is not intended for use as a support for people.
- Avoid using the work trestle on slippery surfaces.
- The protective caps on the feet should always be in perfect condition to prevent tipping.
