Safety Instructions:

- Beware of electric shocks that can be caused by improper use.
- Only use the cable reel outdoors with IP44 certification, taking into account the weather conditions.
- Do not overload the cable to avoid overheating and possible fire hazard.
- Store the cable reel in a dry and safe place to avoid damage and hazards.
- To minimise the risk of electric shock, the cable reel must not be opened in the rain or when wet.
- The safety instructions and instructions for use must be read carefully and followed before use.
