Safety Instructions:

- Use only outdoors or in well-ventilated areas to avoid the risk of electric shock.
- Ensure that the cable reel is standing on a stable surface to prevent it from tipping over.
- Avoid contact with water to minimise the risk of electric shock.
- Do not overload; do not exceed the maximum rated power.
- Do not pull or bend the cable over sharp edges to prevent cable damage.
- Check the cable reel for visible damage before use.
- Children must be kept away from the product to avoid the risk of suffocation and electric shock.
