Safety Instructions:

- The cable reel is not suitable for use in closed, very damp rooms.
- Only use the cable reel in the temperature range intended for the product.
- Do not use near water sources to avoid the risk of electric shock.
- Ensure that the cable reel is not overloaded to avoid overheating and the risk of fire.
- Keep the cable reel out of the reach of children to prevent the risk of suffocation or electric shock.
- Avoid pulling the cable reel while the cable is extended to prevent damage.
- Ensure that the cable reel is correctly wound before storing it.
