Safety Instructions:

- Make sure that the multiple socket outlet does not come into contact with water or other liquids to avoid the risk of electric shock.
- Only use the multiple socket outlet indoors and avoid using it outdoors or in damp environments.
- Please check the maximum power consumption of the connected devices to avoid overloading the socket strip.
- Keep the power strip away from heat sources and direct sunlight to avoid overheating.
- Make sure that the socket strip is not overloaded to avoid the risk of fire.
- Children should only use the appliance under adult supervision to avoid the risk of choking on small parts.
