Article Numbers: 661714, 661715, 661710

Safety Instructions:

- Avoid using the cable in damp or wet environments to minimise the risk of electric shock.
- Always disconnect the cable at the plug and not at the cable itself to avoid damage.
- Keep the cable away from heat sources and sharp objects.
- Only use the cable for its intended purpose to ensure safe operation.
- Check the cable regularly for damage or wear.
- Store the cable in a dry and cool place when it is not in use.
- Not suitable for children. Small parts may pose a choking hazard. Not suitable for children under 3 years of age.
- Unplug the appliance when not in use and before cleaning.
- Do not use the cable if the insulation is damaged or the plug is bent.
- Do not overheat or mechanically stress the cable to prevent cable damage and possible hazards.
- Ensure that the cable is not pinched or damaged to avoid safety risks.
