Safety Instructions:

- Safety note: For indoor use only.
- Cables and devices may only be connected in accordance with their specifications.
- Make sure that the connected devices support USB Power Delivery technology to ensure optimum charging performance.
- Keep the fast charging station away from water and moisture.
- Do not overload the fast charging station to avoid damage.
- After use, switch off the quick charging station using the on/off switch.
- Only use high-quality and compatible cables with E-markers for higher currents.
- Watch out for overheating of the devices during the charging process.
