Manufacturer/Responsible Person: Alcasa Elektronik AG, Köllner Straße 2a, 66292 Riegelsberg, Deutschland

E-Mail: info@alcasa.de

Please note the technical data of the products!

Article Number: 661748

Safety Instructions:

- The charging power depends on the connected hardware and may vary depending on the charging cable and end device used.
- The prerequisite for using Power Delivery is that both the devices and the cables support USB Power Delivery.
- USB cables that support more than 3 A must have an E-marker built into the plug.
- To be able to use wireless charging, your device must support Qi wireless charging.
- Please note that covers can impair wireless charging.
- If metal plates or magnets are used on the device to be charged, wireless charging must not be used.
- Use of the device during charging or inaccurate positioning can lead to poorer charging performance, noise and higher temperatures.
