Safety Instructions:

- Not suitable for children under 3 years, parts may pose a choking hazard.
- Take care in damp environments to avoid short circuits; do not immerse in water.
- Avoid physical strain on the cable, do not kink or bend excessively to prevent breakage and loss of signal.
- Do not plug in or unplug while the appliance is switched on to avoid electric shocks.
- If used incorrectly, the cable can cause damage to the HDMI connections.
- Only use with devices that support HDMI 2.1 specification to ensure optimum performance.
- Check regularly for damage; do not use damaged cables.
- Ensure careful assembly and installation to avoid damage.
- Keep the product out of the reach of children.
- Please read the instructions carefully before use.
