Please note the technical data of the products!

Article Number: 661929

Safety Instructions:

- Please ensure that the armrest is securely and firmly attached to the desk to prevent it from slipping or tipping over.
- Using the armrest should not cause the shoulders to be raised or the arms to be held in an unnatural position.
- It is recommended that you change your sitting position regularly to avoid tension.
- The armrest is not intended for supportive applications with extreme body loads.
- Do not use the armrest as a support for excessive weight or when moving.
- Keep the armrest and the area underneath it clean and free of objects to avoid tripping hazards.
