Safety Instructions:

- Ensure that the board is mounted stably and stands on a level surface to prevent it from tipping over and falling down.
- Install and use in accordance with the instructions to minimise risks.
- Do not allow small parts to be swallowed and dispose of packaging materials safely to prevent the risk of injury.
- Avoid direct contact with water and moisture to protect electrical components.
- Observe safety precautions when in the vicinity of electrical appliances and when setting up.
- Operate the safety quick-release fastener carefully and correctly to prevent accidents.
- Attach the connecting clips carefully and pay attention to the overall stability when making multiple connections to ensure the stability of the panel.
- Use product in the presence of children under supervision and do not allow use by children under 3 years of age without supervision.
- Protect the board from the weather and do not set it up outside unsecured in strong winds.
- Pay attention to possible risk of injury during assembly and use, especially sharp edges and corners.
- Only use the panel with the fastenings and accessories provided.
- Avoid obstacles in the vicinity of the board to prevent falls.
- Do not label with sharp or pointed objects to avoid damage.
- When assembling, ensure that no body parts get caught in moving parts.
- Be aware of the risk of suffocation and injury in the event of improper assembly or disassembly.
- Only use the product for its intended purpose.
