Safety Instructions:

- Not suitable for children under 3 years, as small parts may be present.
- Ensure that the monitor stand is properly mounted and placed on a stable and firm surface to prevent it from tipping over.
- Follow the instructions carefully when installing the stand to avoid injury.
- The monitor stand is designed for monitors with a maximum weight of 22.6 kg. Do not exceed this weight to avoid damage or injury.
- Avoid using the product in an environment with excessive moisture or extreme heat.
- Make sure that there are no objects under the stand to minimise the risk of injury when lifting and lowering the monitor.
- Risk of suffocation due to improper use of the monitor stand, especially when used by children.
- Risk of neck and back problems due to incorrect monitor height; ergonomic positioning is recommended.
