Please note the technical data of the products!

Article Numbers: 662107, 662104

Safety Instructions:

- Not suitable for children under 3 years, as small parts may be included.
- Protect from direct sunlight and high temperatures to avoid deformation.
- Do not use in conjunction with food as the product has not been tested for contact with food.
- The brochure covers must be kept away from fire as they contain flammable materials.
- Keep the covers away from direct light sources to avoid discolouration or damage to the material.
- Avoid contact with sharp objects to prevent damage to the film.
