## Safety Instructions:

- Ensure that the whiteboard is stable and securely positioned to prevent it from falling or tipping over.
- Check the castors and locking mechanisms to prevent the whiteboard from rolling unintentionally.
- Only use suitable board markers and recommended cleaning agents to avoid damaging the surface.
- Follow the instructions carefully when mounting the whiteboard to ensure a secure structure.
- Use by children only under adult supervision or avoid use by children due to choking hazard.
- Eliminate all potential tripping hazards around the whiteboard.
- Do not load or move the whiteboard unexpectedly or forcefully to avoid damage.
- Ensure that no persons are within reach of moving parts to avoid injury.
