Article Numbers: 661781, 524009, 524012, 524015, 524018, 524021, 524024, 524027, 524030, 524033, 524036, 524039, 524042, 524045, 524048, 524051, 524054, 524057, 524060, 524063, 524066

Safety Instructions:

- Observe maximum bay load of 1200 kg
- Ensure safe installation and use in accordance with the instructions
- Install bracing beams correctly for stability
- Only move the shelf when empty if it is not loaded with a load
- Store small parts securely to prevent them from falling
- Do not overload the shelf to minimise the risk of injury
