Safety Instructions:

- Observe the maximum load of 30 kg to prevent the table from tipping or breaking and to ensure stability and safety.
- Caution: Ensure that the table is in a stable position, especially with heavy objects. Do not place the table on uneven floors to prevent it from tipping over.
- Use felt glides to protect sensitive floors from scratches.
- Not suitable for children under 3 years, as small parts may be included.
- Regularly check the stability of the table to avoid accidents.
- To avoid injury, do not use the table as a seat.
- When used on soft floors, additional precautions can be taken to prevent sinking.
