Safety Instructions:

- Ensure that the wall mounting is carried out securely to prevent the workshop planner from falling down. Before mounting on the wall, ensure that the wall has sufficient load-bearing capacity.
- Avoid sharp or pointed objects that could damage the surface of the workshop planner or cause injury.
- Clean the dirt-repellent surface regularly with suitable cleaning agents to ensure durability and prevent the accumulation of dirt and mould, which could cause health risks.
- Special care should be taken when using in high humidity environments to avoid material distortion and damage.
- Keep out of the reach of children to avoid the risk of suffocation. Keep small parts and accessories away from children.
- Regularly check that there are no sharp edges or protruding parts that could cause injury.
