Safety Instructions:

- The EOC-A01 protective bonnet is suitable for use in work where head protection is required.
- Wear the bonnet in accordance with the manufacturer's instructions to ensure optimum protection.
- The bonnet should be checked regularly for damage; if there are signs of wear or damage, it should be replaced immediately.
- The protective bonnet should not be used in damp or wet environments, as this can impair the protective effect.
- Keep the bonnet away from naked flames and hot surfaces to avoid the risk of fire.
