**Article Numbers:** 662326, 662319, 662311, 662301, 662299, 662298

### Safety Instructions:

- Use the floor scale in accordance with the manufacturer's instructions and read the operating instructions thoroughly before using it for the first time.
- Never exceed the maximum load capacity of 600 kg to avoid injury and damage.
- Do not use the scale in damp or wet environments to avoid electrical hazards.
- Keep the scales out of the reach of children and ensure that they are not accessible to children under 36 months to avoid the risk of choking on small parts.
- Make sure that the scale is placed on a stable, level surface to ensure accurate measurements.
- Calibrate the scale regularly to ensure accurate readings.
- In the event of visible damage or malfunctions, discontinue use and contact the manufacturer immediately.
- Transport the scales carefully to avoid mechanical damage.
- Keep the scales away from extreme temperatures.
- Secure heavy objects on the scales to prevent accidents.
