Article Numbers: 662391, 662382, 662362, 662351

Safety Instructions:

- Avoid overloading the scales by not exceeding the maximum weighing ranges (15 kg or 35 kg).
- Use the scale on a stable, level surface to ensure accurate measurements and avoid inaccuracies.
- Ensure that the scales are calibrated before use.
- Protect the scales from water and moisture to prevent damage to electrical components and to avoid incorrect measurements.
- Keep the scales away from heat sources and direct sunlight.
- Use the scale in accordance with the manufacturer's instructions for safe and correct use.
- The product is only suitable for use by adults.
- Avoid contact of the scale with excessive loads to prevent damage.
- Avoid using the scale in humid or extremely temperate environments.
- To avoid damage, do not drop or knock the scales.
- Weighed items should not protrude beyond the scales.
- Read the operating instructions carefully before use.
- To avoid the risk of electric shock, disconnect the appliance from the power supply during maintenance work.
