

Product Safety Information

IoT-Line platform scale KERN IFC 10K-4L

Manufacturer/Responsible Person: Kern & Sohn GmbH, Ziegelei 1, 72336 Balingen, Deutschland

E-Mail: info@kern-sohn.com

Please note the technical data of the products!

Article Numbers: 662389, 662384, 662381, 662380, 662371, 662365, 662363, 662357, 662347, 662345

Safety Instructions:

- Do not exceed the maximum load: 15 kg, 30 kg, 60 kg, 150 kg and 600 kg Note the variants.
- Only use the scales on stable, level surfaces to ensure accurate measurement results and safe operation.
- Calibrate the scales regularly to ensure the accuracy of the measurement results.
- Do not use in damp, wet or extreme environments to avoid electrical hazards and functional impairments.
- Keep away from children and supervise them during use to avoid accidents; the scale is not a toy.
- Read and follow the operating instructions carefully before first use to ensure safety and correct handling.
- Keep hands away from the weighing surface to avoid injuries and incorrect measurements.
- The readability of 0.01 kg can cause inaccurate measurements with light objects.
- In the event of faults or malfunctions, do not carry out any repairs yourself; contact authorised service centres.
- Observe protective measures against electrical shocks and use suitable power sources.
- Carry out regular maintenance and cleaning in accordance with the manufacturer's recommendations.
