Safety Instructions:

- The product is not suitable for children under 3 years of age due to the risk of choking on small parts. Keep out of the reach of children.
- Only use the scales on a stable and level surface to avoid inaccuracies.
- Avoid contact with water and other liquids to prevent electrical damage. Do not use in damp or wet environments.
- Ensure that the product is correctly calibrated by the user to ensure accurate weight measurements. Ensure regular maintenance.
- Keep the scales away from extreme temperatures and direct sunlight.
- Safety instructions to avoid injury due to improper use of the scales. There is a risk of injury if the scale is used incorrectly.
- Read the operating instructions carefully and observe them. Observe before use.
- Do not overload the scales to avoid damage. Observe the maximum load capacity of 60 kg or 6 kg depending on the model.
- The product may only be used within the specified weighing range up to 60 kg.
- Set up and operate the scales according to the instructions in the operating instructions.
