Article Numbers: 662341, 662339, 662331, 662325, 662322, 662316, 662302

Safety Instructions:

- Use only for the intended purpose.
- Keep out of the reach of children to avoid the risk of suffocation.
- Do not overload the product; adhere to the maximum permissible weights. Max. Load capacity: 120 kg and 150 kg.
- Regular maintenance recommended, especially with excessive use, to prevent wear.
- Before use, ensure that the product is placed on a stable, level surface to prevent it from tipping over.
- Check the functionality before use and regularly check for calibration to ensure accurate measurement results.
- Do not use the scale in damp or wet environments to avoid electrical damage.
- Avoid risk of electric shock due to improper use of electrical components.
- Always follow the instructions for use to avoid damage.
- Keep the product away from water, moisture and extreme temperatures.
- Use the scales safely on a stable surface.
- Child safety: Do not allow children to use unless supervised by an adult.
- Do not use in hazardous environments (e.g. potentially explosive atmospheres).
- Ensure horizontal position during use.
- Protect the device from impacts, shocks and sharp objects.
- Users with physical limitations should make use of assistance.
