Article Number: 662275

Safety Instructions:

- Only suitable for indoor use, do not use outdoors
- Ensure that the maximum bay load of 1200 kg is not exceeded
- Avoid overloading the shelves above the maximum shelf loads: 145 kg for shelves with perforations and 200 kg for tray shelves
- The base of the tray can collect liquids, but ensure that they cannot overflow
- The locking pins should be inserted correctly during assembly to ensure stability
- Shelf should be placed on a stable and level surface to prevent it from tipping over
- May contain sharp edges, take care during assembly and handling
- Keep out of reach of children to avoid risk of injury
