Article Number: 662291

Safety Instructions:

- Do not exceed the maximum load of the clothes rail (max. 100 kg).
- Observe shelf loads in accordance with the specifications (max. 140 kg).
- The load on the floor must not exceed 200 kg.
- Only suitable for indoor use, do not use outdoors.
- Ensure stable construction when setting up, especially with bracing beams.
- Avoiding the risk of falling by placing heavy objects safely.
- Secure the used perforated wall hooks well to prevent them from falling down.
- Ensure that the shelving unit is in an upright position and cannot tip over.
