Article Numbers: 662265, 662263

Safety Instructions:

- Assembly should be carried out by at least two people to avoid injury.
- Protective gloves should be worn when handling metal parts; no complicated tools required.
- Only suitable for use in dry indoor areas. Avoid moisture.
- Do not exceed the maximum load capacity of the shelves to avoid instability.
- After assembly, ensure that all parts are correctly joined together.
- Do not hang heavy objects on the rear wall to prevent them from falling.
- Check the product for stability before use.
- Ensure that the shelf is stable to prevent it from tipping over.
- Use suitable fixings if the back panel is used as a privacy screen or magnetic board.
- Do not overload the shelf to minimise the risk of collapse.
- Recommendation for proper installation in accordance with the manufacturer's instructions.
- Regular stability checks, especially for mobile applications.
