Safety Instructions:

- Fire hazard: Do not use the product in closed rooms or bring it into contact with flammable materials.
- Keep the ashtray away from flammable materials and avoid using it with flammable objects.
- Stability: Ensure that the product is stable on a level surface to prevent it from tipping over.
- Empty and clean regularly to prevent overfilling and the associated risk of fire.
- Product is not suitable for children: May cause injury if handled incorrectly.
- Not suitable for children under 3 years due to choking hazard from small parts.
- Take care in hot weather or in direct sunlight due to additional heat development.
- Carry out regular maintenance and check for damage or wear.
- Do not use in damp or extreme weather conditions to avoid damage.
- Use only in accordance with the manufacturer's instructions to ensure safe use.
- Avoid contact with naked flames or hot surfaces, as the appliance is made of metal and can conduct heat.
- Can only be used for disposing of cigarette butts. Not suitable for other materials.
- Regularly check for rust, sharp edges or damage to the product.
