Safety Instructions:

- Caution: Risk of suffocation from small parts when strapping parcels.
- Caution: Risk of electric shock when using the BW-04 battery strapping tool if handled incorrectly.
- Note: Risk of injury due to improper use of the Premium X roll-off trolley.
- Please ensure that the product is placed on a stable surface to prevent it from tipping or falling over.
- Wear suitable protective equipment (especially gloves) when handling the PET polyester strap to avoid injury.
