Safety Instructions:

- Ensure that the information stand is set up securely and in a stable, dry area to prevent it from falling over or slipping.
- Only use the product for the intended applications and in accordance with the instructions provided.
- The product is not suitable for children under 3 years of age, as small parts can pose a choking hazard.
- Avoid contact with water and strong cleaning agents to prevent damage to the material.
- Check the information stand for damage before use and contact the manufacturer if any defects are found in order to avoid safety risks.
- Clear labelling of information content is necessary for the safety of viewers and users.
- Sharp edges of the stand can cause injuries; be careful when handling.
- If handled incorrectly, there is a risk of the stand tipping over and causing injury.
