Safety Instructions:

- Not suitable for children under 8 years of age without adult supervision. The appliance should be used out of the reach of children to avoid the risk of injury.
- Choking hazard due to small parts that can come loose. Make sure that small parts are safely stowed away.
- Risk of electric shock due to improper use of the electrical device. Please observe the electrical safety instructions when using the 3W LED light.
- Do not bring the appliance near water.
- Use suitable accessories to avoid safety risks.
- The appliance may only be used in accordance with the operating instructions.
- Ensure that the microscope is operated in a stable and safe location to prevent it from falling over.
- Use suitable safety goggles when working with chemically coloured samples.
- Take care when using the microscope to avoid injury from sharp edges or moving parts.
- Only use the power supply provided to minimise the risk of overheating or electrical faults.
- Handle the appliance with care to avoid mechanical injury.
