## Safety Instructions:

- Not suitable for children under 3 years, risk of suffocation and injury from small parts.
- Warn against exceeding the maximum load capacity of 250 kg.
- Ensure that the scales are placed on a stable and level surface to avoid the risk of falling and inaccurate measurements.
- Do not stand on the scales while the AUTO-OFF function is active.
- Check the appliance regularly for damage to ensure safety and avoid injury.
- Avoid contact with water and moisture, as this can damage the electronics.
- May only be used on firm, stable surfaces.
- Ensure that the scale has sufficient power to guarantee correct measurement.
- Clean the glass plate regularly to ensure hygienic use and prevent slips.
