Safety Instructions:

- Choking hazard due to small parts. Keep children away.
- Ensure that the table is placed on a stable and level surface to prevent it from tipping over or becoming unstable.
- Risk of injury due to incorrect height adjustment. When making adjustments, ensure that no parts of the body are trapped.
- Avoid placing heavy objects on one side of the table top to prevent imbalance and tipping over.
- Ensure that all connecting elements and screws are regularly checked for tightness.
- Keep the area around the table free of cables and obstacles to avoid tripping hazards.
- The table is intended for use by adults. Children should be supervised.
- Avoid direct sunlight and moisture to prevent material damage.
- Before use, ensure that all assembly instructions have been followed and that the table is correctly assembled.
