Please note the technical data of the products!

Article Number: 141278

Safety Instructions:

- Flame-retardant cover: Please note that the upholstery is flame-retardant, but should be removed if there is a risk of fire.
- Plug system: Before use, ensure that the plug system is properly connected to avoid electrical hazards.
- Assembly without tools: Ensure that all parts are securely mounted to prevent injuries from tipping over.
- Acoustic panel: The acoustic panel should not be removed or modified as this could impair the sound insulation.
- Children and vulnerable consumers: The product should not be used by young children without supervision.
