Article Numbers: 662616, 662615, 662612, 662611

Safety Instructions:

- The product has been tested for harmful substances in accordance with OEKO-TEX STANDARD 100, please observe the corresponding disposal guidelines at the end of use.
- The desk divider should be sturdily and securely attached to the desk to avoid the risk of falling over or tripping.
- Not suitable for children under 3 years of age, as there is a risk of suffocation from small parts. Avoid children using the table divider as a toy.
- The desk partition should not be considered a substitute for professional noise protection in extremely noisy environments.
- Please only use the desk divider in designated office applications.
- Product should be checked regularly for wear and tear to ensure safe use.
- When used in heavily frequented areas, care should be taken to ensure sufficient stability.
- Installation should be carried out in accordance with the instructions to ensure safe use.
