Safety Instructions:

- Ensure that the table clamp is mounted correctly to ensure stability.
- Make sure that the clamping ranges (3-18 mm and 19-25 mm) are suitable for the respective desk.
- Before use, check that the clamps are firmly in place and that the partition is securely fastened to prevent it from slipping or sliding.
- When mounting, ensure that the screws supplied are used to guarantee secure fastening.
- Wear gloves to avoid injury when handling sharp edges or clamping mechanisms.
