Article Number: 662639

Safety Instructions:

- Intended for general lighting in an indoor area. Ensure that the device is not exposed to direct sunlight or heat sources.
- Do not use under water or in other liquids. Keep the product dry.
- Electrical appliance, do not use by children without supervision. Caution: Do not use damaged cables or plugs.
- If the appliance overheats or is damaged, disconnect it from the power supply immediately.
- The LEDs are permanently installed and cannot be replaced. Do not attempt to repair the device yourself.
- In the event of absence, the light dims automatically to 30 % and switches off after a further 10 minutes. This can be risky; check the acceptability of this function depending on the location.
