Safety Instructions:

- Food-safe IBC container only suitable for the transport and storage of non-hazardous foodstuffs.
- Check the safety valve before use to avoid overpressurisation.
- Do not overheat the container or expose it to fire to prevent the risk of fire.
- Do not exceed the maximum permissible load during transport.
- Wear suitable PPE (personal protective equipment) when working with chemical substances.
- Always check the container for leaks before emptying.
- Use suitable tools to avoid damage.
- Store out of the reach of children to avoid accidents.
